

September 15, 2009

San Juan Radio Control Club meeting

Paul received two banners from Callie Graphics price \$100.
Marvin will store the banners and stands.

Air Show Farmington Airport September 12, 2009.
The show was a big success.
Paul thanked everyone who helped with the air show and booth.
Special thanks to Marvin, Les, Jerry, Roy, Jack and Tim.

Flying by Dan was very impressive with positive comments from the air boss and crowds.

Special thanks to **Fast Lane Hobbies** for the use of the RC flight simulator and computer, it was a big draw and all enjoyed it.

There was some discussion about ways to improve the next show.

All Scale Fun Fly September 19, 2009

Paul will be the CD.
Paul will need help with the judging anyone with prior judging experience will be appreciated.
The judged events will be:

Takeoff
Horizontal eight
Fly by
Elective
Landing

Everyone must fly at least two rounds or best of three.

Prizes for 1st and 2nd.

Next month think about nominations for new club officers, come to the meeting so you can have a say in the leadership of club for next year.

Also, where do you want the banquet held for next January?
