

MINUTES FOR SJRC CLUB

October 20th, 2009

- President Paul Jarvis called the meeting to order at Fire Station #6 at 7:00 PM.
- Treasury report - \$2014.46 in the kitty

Old Business

Paul talked about the Scale Fun Fly, it went well and whomever wants to CD next year he has some ideas on how to improve upon what has been done.

Nate and Steve's Fabulous fun fly was very well attended and all had a great time. All donations went to the club. Congrats to Nate and Steve.

New Business

Paul discussed the need for new younger members and other ways to increase membership.

New hobby shop in Durango, Co. 11th & Main it has only been open about a week. Paul and Vic will check it out.

Sept 12, 2010 will be the Air show a Farmington airport, planning is underway.

Year end Banquet will be the 3rd Tuesday in January 2010.

The Club voted to pay for the dinners of the Hobby Shop owners at the year end Banquet in January. This is for all there support through the year with prizes, etc.

If you have any questions about electrics, Baylor will try an answer an question you may have, just ask!

If you have any topics you will like to have one the club member share thier knowledge/experience with at a club meeting please contact that member and the club president.
