

MINUTES FOR SJRC CLUB

April 20th, 2010

- President Nate Hill called the meeting to order at Fire Station #6 at 7:00 PM.

Old Business

Treasurer's report - \$1864.99

Field access gate

Les Leach discussed installation of a gate in the fence opening leading to the field. The City could not commit funds, so Les/Nate asked if part of the original \$500 the club had donated for field improvements could be used for gate installation. The City agreed, so that should be happening shortly.

Grading

The parking lot has been graded. Still would like to get the ends of the runway.

Indoor funfly

First indoor funfly will be in the PV high school main gym on 5/1/10 from 1-5 PM. Second funfly will be on 5/22/10, same times. Thanks to Les for arranging these.

Fundraiser

Nate priced potential prizes, as follows:

32" LG 720P flatpanel TV - \$415.99

Nintendo Wii - \$199.99

Sony BluRay player - \$149.99

iPad Nano media player - \$133.99

After discussion, purchase of the TV, Wii, and iPod was approved. Tickets will be printed and sold for \$2 apiece. Drawing will be at Nate and Steve's Funfly in October.

April 24th Funfly

Baylor Smith will CD. \$250 was approved for prizes. Baylor was working tonight, so Paul will drop a check off at his house. Funfly will have 0800 signup and 0900 start times.

Safety Report

Paul Jarvis emphasized the height restriction at the field is 400'. Lots of rainmakers seen lately. Also, please don't run motors up under the canopy. Engines or motors, for that matter. Finally, always check model selection on your radio and control surface operation before takeoff. Had a couple incidents (from club members who will remain nameless) resulting in crashes from improper model selection prior to takeoff. Also, please call landings and takeoffs, particularly with electric models that are not easily heard.

Other

- Club charter, incorporation, and website domain registration fees have all been paid
- Thanks to Bill Detrick for refurbishing the frequency pin board and painting the windsock pole

New Business

None

Meeting was adjourned at 8:10 PM.
